Technical Music Specialist · Digital Distribution & Metadata Consultant · Label & Release Operations Expert

s.tvardovsky@stereoparadise.com · tvardovsky.music · Born in Moscow, grew up and finished school in Kyiv, Ukraine · Ukrainian passport · based in Tivat, Montenegro

About Me

Versatile music industry professional with 15+ years of experience in electronic music production, record label direction, and large-scale digital distribution systems. As Tvardovsky, released tracks and remixes on over 200 international labels via Beatport and DSPs. Notable projects include Story Of Our Life (2020), Beautiful Silence (2011), and numerous compilation placements. Integrates creative artistry with technical infrastructure, managing DSP delivery chains, metadata accuracy, artwork pipelines, and post-release optimization using industry and AI tools.
